PRINCIPAL'S MESSAGE

It's finally here!

Months and months of hard work will finally come to fruition this Friday night with our school fete.

As this is the first time we have had a twilight fete there are some things that families will need to be aware of. Students will need to go home at the end of our regular school day. There won't be any supervision for students between 3.15pm (other than usual bus students) and 5.00pm. When students return for the fete they should do so accompanied by family members over the age of 18 years. As is the case with all school/P&C events held on school grounds, this is an alcohol-free event and all school grounds are also smoke-free environments at all times. Students also need to remember that even though they are in the care of parents and families, the expectation is they will behave sensibly and respectfully to all, and move around the school sensibly and carefully, remaining mindful of staying away from all of the usual "out of bounds" areas.

I've been humbled by the ongoing organisation and commitment shown by both our fete committee and wider P & C as they work tirelessly to ensure the success of this wonderful event. A huge thank you as well to all the families who were able to come along last Saturday morning to help spruce up our school with a mini-working bee. It's all coming together and we are in for a great night!

Once the fete has come and gone we will shift our focus towards end of year school events such as report writing, and planning for the Year 6 Farewell and Presentation Night. It will, however, be great to have a fantastic night of fun before all that is once again upon us!

Hope to see you Friday night!

Have a great week,

Mandy Crocker
