PRINCIPAL'S MESSAGE

Can you believe how busy we are at school this week!? We are not officially half way through the term, and today alone reflects how many opportunities come our students' way each week. Excursions today involved different students from Kinder all the way to Year 6, some as whole grades and others for smaller groups.

Our Kindergarten students certainly charmed all those who were in attendance at the K-Mart Wishing Tree launch today. They have been working really hard on learning the words to **Go Santa Go** and **An Aussie Christmas Carol** and have done a great job with their performance. This morning we saw two stage 2 excursions head off in different directions. Year 3 headed off to Borambola for a day of activities that included team bonding as well as canoeing, archery and all the other sport and rec type activities that Borambola is known for. Year 4 headed to Albury for an overnight excursion to the Great Aussie Fun Park. Other students from across our school started participation in Operation Art, which is a wonderful series of practical workshops presented by specialist visual arts tutors that we get to participate in each year.

At last week's P & C meeting, our hard working P & C were able to celebrate and reflect on the results from our recent fete. Over \$18000 was raised which is a truly humbling and outstanding result. There is no doubt that the amount of behind-the-scenes work that went into it was integral to the success of the night. It is a privilege to be working with such a committed and hard-working group of parents, who always have supporting the children and the school at the forefront of their decision making.

Next week we will send home details of our final P & C raffle which will obviously make up part of our Christmas raffle. The major prize is a fully installed Panasonic reverse cycle split system air conditioner, just in time for Wagga's hot summer! It has been kindly donated by Coolectrics Pty Ltd and will be an amazing prize to win. Following on from the summer theme, second prize will be a garden irrigation system and third prize will be a BBQ. A smaller-than-usual raffle ticket book will be sent home with next week's newsletter and if families have any difficulties selling the tickets they're just asked to return them unsold to the office. Prizes will be drawn on Speech Night.

Another great week at NWPS! Thank you for being part of it with us!

STUDENT WELFARE OFFICE

This term we welcomed Ms Tammy Lawlor to our staff one day a week as our new Student Welfare Officer. Tammy comes to us after 6 successful years working at Tolland Public School. Already she has slipped seamlessly into her role of engaging with students and families. A Student Welfare Officer brings all the therapeutic counselling benefits to a school like an effective School Counsellor, but without the role of having to perform diagnostic assessments (such as IQ tests). A huge thank you to Tammy as her input into our classrooms has already been wonderful. Mrs Crocker
