## OPERATION ART

Last week six students from our school attended Operation Art at the Wagga Art Gallery. First we did some warm-up drawings of a city using different materials. In the middle session we did printing – that was really hard – and lastly we made sculptures. I was so lucky to attend this class, it was awesome!

### COMMUNITY THANK YOU MORNING TEA

The staff would like to thank the many people who have contributed to our wonderful school community throughout the year by inviting you to a morning tea on Friday 2<sup>nd</sup> December at 11.00am. We look forward to seeing you there!

## PRINCIPAL'S MESSAGE

Kindergarten certainly charmed all of Wagga last week with their performances at the launch of the K-Mart Wishing Tree. I have had numerous phone calls from K-Mart praising the efforts and behaviour of all our students, well done Kinder and their teachers!

Our Stage 2 students all enjoyed their excursions last week. The Albury excursion to the Great Aussie Fun Park was especially successful as far as student enjoyment and "fun factor" went. Discussions are underway around incorporating Year 3 into that same event for a day excursion next year.

The weather is certainly trying to convince us that we have started summer early! A reminder that our "No hat, play in the shade" policy is being enforced to ensure all students are kept safe. There has been a pile of spare hats in lost property of late. Any with names have been returned to their owners, the rest have been washed and have gone over to the canteen for sale for 50 cents each. It may be worth picking up a spare hat or two, though at the moment there are only small sizes available.

Don't forget this Thursday night is our final P&C Meeting for the year which means it will involve the P&C Committee Christmas Dinner. It will be held at the Rules Club in Fernleigh Road, starting at 6.00pm with a half hour meeting, then dinner from 6.30pm. If you can't get a babysitter, bring the kids too! But please note, all children are in the care, supervision and responsibility of their parents.

The final P&C Fundraiser event for the year is the Christmas Raffle. A smaller-than-usual raffle ticket book has been sent home with the newsletter today. The P&C is mindful that there has been a lot of fundraising in the second half of the year, but the opportunity to win a Panasonic Split System air conditioner, given how hot it has been, was too good not to try and pass on to some lucky ticket winner! The raffle will be drawn on Presentation Night on Wednesday 7<sup>th</sup> of December.

Have a great week!

## GREAT AUSSIE HOLIDAY PARK ... By Myles Walsh & Kate Harris

Last Tuesday, the Year 4 students went on an excursion to the Great Aussie Resort. The bus ride took over an hour, but it was worth it. When we got there we had lunch and then we got split up into our groups to do rock-climbing, canoeing and archery. The rock-climbing wall was really high and hard to reach the top, the canoeing was hard to control, but the archery was a different story. It was really hard but still fun. Afterwards we had lunch and then went back to our dorms to unpack our stuff. For dinner we had chicken schnitzel, vegetables and potatoes. It was delicious and for dessert we had a yummy chocolate mousse. After dessert we watched a movie called *Cloudy with a Chance of Meatballs* and then we went to bed.

The next day we had breakfast and then we packed up our dorms. After that we had our last activities which were low ropes or flying fox. The low ropes were fun. You had to get under the ropes without touching them. Then it was.....THE FLYING FOX! It was amazing but also scary because the tower was so high. Finally it was time to have lunch which was hotdogs. We then boarded

the bus to come home.

Overall it was really fun and also pretty sad to leave. When we got back to school I'm sure that most of us had a deep sleep.

## YEAR 3 BORAMBOLA EXCURSION

On the excursion we went to Borambola. At Borambola the thing I liked the most was BMXing because it was so cool. My second favourite thing was canoeing because we got soaked by water and it was very fun. We played stuck in the mud in our canoes. The final thing I liked was archery and my favourite bit about that was hitting the target.

By Jude Cattle

On Tuesday I went to Borambola for a school excursion. The first thing we did was archery. I was bad at archery. The second thing we did was kayaking. When we went to take the paddles and life jackets back to the shed I fell on the Little Gobba Bridge. The last thing we did was BMX riding I crashed into Mrs Walker's bike. I liked Borambola because it was really fun.

## K-MART WISHING TREE

Our kindergarten students recently had the honour of singing at the opening of the K-Mart Wishing Tree Appeal. With official members of the community, the Mayor and staff from Mission Australia also involved in the proceedings, the students represented our school beautifully and stole the show! A big thank you to Mrs Quilliam for her time and patience getting all the students 'performance ready', all the fabulous support from relatives and friends who came to watch and to Mr Tilly for coming and taking photos .... keep your eye on the Daily Advertiser! Well done kindergarten, you've made us proud.

Mrs Standley, Mrs Quilliam and Mrs Librando
