PRINCIPAL'S MESSAGE

Welcome to Week 8. This term has been absolutely flying by. The best of luck to our Mortimer Shield team who faces off today in at least two games. They take on St Mary's from Young as well as Murrumburrah Public School. Their opponents after that will depend on the outcomes of the early games. Either way, it's great to celebrate that our Mortimer Shield team has never had this level of success in this competition. Speaking of unprecedented success, once again our school was cheering the soccer result from last week. Great work, North Wagga!

A huge thank you to our P & C who has been assisting with the cost of both incursions and excursions. Other schools around Wagga are paying over \$15 for the Footsteps dance program, whereas P & C's assistance means our students are only paying \$10. More recently, P & C has also agreed to assist with some funding towards our Riverina Dance Spectacular Troupe and is also discussing a possible contribution towards our Tournament of Minds Team. This level of assistance is made possible through various fundraising efforts throughout the course of the year. Coming home with today's newsletter is a raffle ticket book with some amazing prizes on offer. If all families could sell their tickets and return the monies as soon as possible to school that would be greatly appreciated.

Just a timely reminder that Hampden Avenue (directly in front of the school) is a one-way street. The signage indicating so isn't great, but it is important that people who are new to our school are aware of the road rules out the front. Please assist us in keeping children safe by only travelling down that road in the correct direction. ie. School to Palm and Pawn direction.

We have been having discussions all term with Stage 3 students about how to respectfully treat each other and how to navigate relationships with people you don't consider your friend. This is perhaps one of the most challenging aspects to growing up. How do you maintain a respectful existence around someone you don't like? We have been addressing this and other issues in numerous discussions with students, as well as through peer support, work with the Police Community Youth Liaison officer, discussions with the local bus company and contact with families. We once again ask that parents maintain vigilance in monitoring their children's use of social media and also model respectful interaction with others. Please assist us in sending a consistent and clear message about how to behave well even when faced with a challenge of not feeling overly connected to a person.

Have a great week,

Mandy Crocker
Principal
