## PRINCIPAL'S REPORT

Congratulations to our CHORDS Choir who performed beautifully last night! As you can see from the front of our newsletter they all looked the part in their CHORDS shirts. Yesterday was a long and tiring day for them, but they rallied by the evening and pulled off a stellar performance. A special mention to Birhan, Mayah and Katherine who are all in the core choir, which means they are performing every night of CHORDS! They will be tired, but it will also provide a lifetime of memories.

Many thanks to Mrs Cattle and Mrs Grieve for their work with choir, and well done to all involved! Our Kindergarten orientation starts tomorrow for all students who will be joining the NWPS school community in 2018. We have great numbers for Kinder for 2018 and we appear to be having new families trickling through the door on an almost daily basis, which is wonderful to see. There will be a Kinder 2018 Parent information session tomorrow evening in the library commencing at 6.30pm. Here new parents will hear from Mrs Standley, P & C representatives and myself. We are looking forward to expanding our school community.

Are you on Facebook, and have you had the chance to like our school page? Feedback so far is that many families are really keeping up to date with our school via the means of social media. We utilise the Facebook page as well as an app. To find us on Facebook search for @NorthWaggaPS and like our page. For our app go to the App Store or Google Play store and search for North Wagga. ## CANTEEN HELP?

Have you seen our latest canteen summer menu? It is sensational! Our students are already enjoying the variety of "summer foods" on offer. Many thanks to Bistro 73 who has been wonderful in assisting us with some of the more specialised lines such as sushi. These yummy creations are very popular with our students and staff!

We are always on the lookout for families to assist in the canteen on Monday, Wednesday and Fridays, but did you know there are other days you can help too? The canteen roster above is for the days our canteen is operational, but around that, there are opportunities for families to assist in food preparation.

If you do find yourself having some spare time on the occasional Tuesday or Thursday, our P & C Canteen Committee tries to have 1 or 2 days a month where they catch up and try and get some menu items prepared that then go into the freezer. If you think you can be involved in this, please don't hesitate to give Trish a call on 0427 205 721.

## P&C FUNDRAISING

P&C are selling these awesome tea towels. Each student will have their own hand drawn portrait on the tea towel. It's a great memorabilia to keep, great Christmas pressies especially for grandparents.

Also you can purchase an apron with same design on front. Prices and details will come home today with the newsletter.

Check out our past tea towels on display in our office foyer.

Another lucky hundred square raffle has been drawn up and the numbers are ready to be claimed. Once again, it is \$10 per square and the winner gets to choose from the remaining prizes in prize pool which includes a coffee machine, iPad Mini and a whipper snipper. If you would like to claim a number please give Nicole Hann a call on 0402 162 998.

## KINDERGARTEN 2018 ORIENTATION PROGRAM STARTS TOMORROW

We are all very excited to meet our new Kindergarten students tomorrow. Orientation starts at 11am and finishes at 1pm.

***Don't forget the Parent Information night is on tomorrow night from 6.30pm-7.30pm in the library.***

## MAD FOOD SCIENCE IS COMING!

FREE Parent Seminar on MAD FOOD SCIENCE.

It's only one more week until the Mad Food Science Program starts. Our students will be learning all about different types of food and how it affects their bodies. The parent information evening starts at 6pm with free samples of our summer canteen menu. Come along and learn how to pack easy yummy lunches that will help your child to learn. The class with the most parents attending will be eligible for a special surprise. Mrs Frogley is excited and would love to see lots of parents attend.

## SCHOOL HAT SEASON...and BLACK SHOES

Students are expected to wear a school hat whilst outside all of this term. Hats may be purchased from the front office before the 9.15am bell each morning and cost \$5. Students who do not have a hat will be asked to follow the school rule "no hat, play in the shade".

A reminder too that we appear to have a few coloured joggers creeping their way back into the school on non-sport days. I understand some additional pressures from children at home in trying to justify why this should occur, especially when we have a gymnastics program running at the moment. But, as we have done all year, we do encourage families

to purchase black joggers which can then double as "black school shoes" for the remainder of the week. Please assist us in maintaining our high standard of uniform.
