PRINCIPAL'S REPORT

A huge thank you to all families who were able to support our Mother's Day efforts last week. A special mention to both Mrs Crane and Mrs Hann who helped us by working on the stalls. A congratulations to all the prize winners and a thank you to all who bought tickets. Our raffle raised over \$1,000 which will go towards purchasing resources for our classrooms.

HEALTHY CANTEEN STRATEGY: Last week I met with Mrs Orban and Mrs Baulch who are the P & C representatives who have been given the job of introducing the new Healthy School Canteen Strategy to our school. At the last P & C meeting the P&C tabled a proposed new menu that was endorsed by the P & C and is fully aligned to the Government mandated strategy. Obviously there will be changes that our students will need to get used to as lollies, non-compliant ice-creams and some foods are phased out of our canteen. What they will be replaced with though are exceptional lunches that are within guidelines such as burritos, beef sliders, risottos, toasted sandwiches, wraps etc.

Mrs Orban and Mrs Baulch are keen to have as many parents on board who may be able to come to the school and assist us in our "prepping and cooking day" in the lead up to our new menu launch in June. By being involved in this prepping and cooking day, the adults will all have the opportunity to sample the new menu items. The days set aside for this are Tuesday 30th May and Thursday 1st June from 10.00-2.00pm. These are days when our canteen is not open to students for purchasing, so it truly will be days of working together, sampling and creating the new menu items that can be made ahead of time, ready for the freezer. If you can spare this time, your help would be greatly appreciated. Mrs Orban can be contacted on 0429205721 to answer questions and take your name. In the meantime, if you would like some additional information around the strategy, you can find what you need at <https://healthyschoolcanteens.nsw.gov.au/> Next week we will feature a copy of our "coming soon" new winter menu.

AFTER SCHOOL ARRANGEMENTS: We appear to have an increase in students who have been unsure around what the pickup and collection arrangements are for them at the end of the day. We understand that sometimes things crop up unexpectedly and best laid plans can be thrown into disarray, which usually mean we receive a phone call to pass a message onto children. This is totally fine, and we are grateful for being kept in the loop with carrying arrangements. But there are a growing number of students who are frequently unsure of whether they are being collected by loved ones, or need to catch a bus on any given day. As a parent, I'm sure families are trying to get this message through to children, but I also know as a mum that just because I say it, doesn't mean it is heard or understood. Perhaps you may be able to write a note and pop it in your child's lunchbox, or write it on their hand...anything that will provide the reminder your child needs. For me, I need to make sure the message is delivered when there is no TV, iPod/iPad competing for my attention. This parenting-thing is hard work sometimes, isn't it? Lucky we are all in this together!

Have a great week,

Mandy Crocker

FIRE & RESCUE NSW OPEN DAY

FRNSW will be holding an open day on Saturday 20th May 2017.

Turvey Park fire station will be open from 10am until 2pm and we encourage all members of our community to attend.

Winter is just around the corner and it is the worst time of the year for house fires.

In an effort to educate the community about fire prevention and safety, Fire & Rescue NSW (FRNSW) is hosting its annual Fire Station Open Day on Saturday, 20 May 2017 between 10.00am and 2.00pm.

You and your family are invited to visit Turvey Park fire station for fire safety tips, hop aboard a fire truck, hold a fire hose and chat with fire fighters about what they do. A free BBQ will also be held.

For more information, visit www.fire.nsw.gov.au. Make sure you mark it in your diary and come and join us on the day.
