## PRINCIPAL'S REPORT

What a great start to our last week of the term! Many thanks to the families who were able to support our Movie Night last night. We had over 150 students attend, and whilst it made for a very "noisy cinema", there was a great atmosphere and the children really enjoyed themselves. Thank you to our amazing "canteen mums" who worked tirelessly in the build up to last night and through the evening. Their amazing snack bar greatly enhanced the movie experience. We are very lucky to have such committed people, continually rolling their sleeves up to help!

Tomorrow is our Fun Run Day which we have been all been looking forward to. Remember, students may wear any sporting attire that provides adequate sun protection. The actual Fun Run will commence at 2.00pm. We hope to have it all wrapped up by 3.00pm with some presentations occurring under our COLA through until 3.15pm. Families are invited to participate, along with our students. There will also be a cake stall and we will continue our Gummi Bear Guessing Competition as a Fundraiser for our School Spectacular Dance Group.

As we finish this term I want to acknowledge the hard work of the staff, both teaching and non-teaching. This term, we have had significant major excursions to Melbourne, Sydney and Albury that have taken months and months of organisation. These things aren't just thrown together at the last minute and it's the "behind the scenes stuff" such as bookings, risk assessments, health care plans, itinerary planning etc that aren't seen by others, but are essential to any successful excursion.

Staff, like our wider school community, has also been gripped by this exceptional flu/cold season which has either affected us or our families directly. This has meant that we have had to band together to cover supervision of students, often at times when there weren't any casual teachers available on a given day. Thank you to all who have understood that whilst it is never our preference to split a class, that we have done so with minimal disruption to our school routines.

I wish all families a restful holiday, and understand that we are all looking forward to a rest, a chance to recuperate, and a sunny Term 4!

Mandy Crocker  
Principal

## SPORTS NEWS

Stage 2 AFL Gala Day

On Friday 15<sup>th</sup> September, North Wagga fielded a Stage 2 AFL team at the AFL Gala Day. The mighty 'Squirrel Gliders', NWPS played in four games intended to promote engagement in the game where scores were not kept. Once our opponents were able to muster their nerve in facing such fiercely named adversaries, the Squirrel Gliders displayed admirable sporting qualities. There were too many standout moments from too many players to itemise, but I will make mention of the courage of our smallest player, Moses, in burrowing in under packs to win the ball for his team. Congratulations to all who participated.

## State Dance Festival Recount – by Taniesha Ramsay

On Wednesday we went to Sydney. The time we left was 7.30am to 8.00ish it took us five hours in a van to get there. It was 12.00pm I think so we got inside and had to wait a while to get our key cards but we had a bit of a hiccup our rooms partners were changed but quickly within minutes it was sorted out. All the rooms were tiny, some had a single bed and some had a double. Luckily I got a double. We had about 3 hours to warm up before we went to our first workshop. Our first workshop was contemporary and it was the funniest one out of the two that we did. Our contemporary teacher was called Millie she was a fun wacky teacher. We were there for an hour and a half. When it was over we went back to sing for an hour before going to the Circular Quay. We were there for a very long time. On the Thursday we had another workshop, it was very hard and it was not as fun so I'm not going to talk about it. We went to Broadway before having a tech rehearsal. After we did all of that we went back to Broadway before going to perform at State Dance Festival. It was great and we did such a great job. My nerves were going haywire until we started dancing. After all of that we went to Max Brenner's which is an amazing chocolate place, we spent quite a long time there. On Friday everyone was packed and ready to go in the morning. We got in the bus and left about 10.00amish we arrived back at school 3.20pmish and told parents and family about our great time. I hope people reading this were informed about our great trip!

## My Excursion – by Sam Reid

From Monday to Wednesday we went on an excursion to Melbourne. On Monday we had to get up at 4.30am, I had to have a shower and get the rest of my bag together. There was another half an hour to go so I got ready and played my iPad for a while and we drove to school and put my bag on the bus, said goodbye to my parents and off we went. The bus trip was fun, I had never been to Melbourne before and I couldn't wait...Finally we arrived in Melbourne Museum, the bus trip took about 5 hours, so it was great to finally stretch our legs. We walked over to the humungous museum whilst passing several sky scrapers. We entered and it was gigantic! We first went to sit down and we had to look at virtual reality of the dinosaurs and we went and had a look at the animals upstairs. It was so exciting to know that we are going to the MCG next so we arrived and met up with our tour guide who first told us about safety precautions. When I saw the sheer size of the MCG it blew me away, it was lush green and mowed to perfection we walked down excitedly to get a closer look, our fun tour guide showed us to Richmond changing rooms which was amazing. They had spas which could be heated to which ever temperature the physiotherapist wanted it to be. Next we walked past the players worst nightmare...drug testing! We walked out and up to the commentary rooms and where the camera men broadcast, also where the journalists write about the game. We had so much fun there and we went across to the famous sport museum and had a look around for 1 hour. There were TVs where it showed old games of AFL and the evolution of football boots. We swapped places with Mrs McIntosh's class, we were doing interactive sport such as soccer, basketball, AFL and cricket. My friends and I did soccer and AFL. We had a great time at the MCG, I hope to go there again.
