PRINCIPAL'S MESSAGE

As we approach the end of the year, it gets very busy with the entire end of year events and activities. It is very important that we all keep up to date with these happenings and the information that is needed. We regularly send home notes with students – so please check school bags, even when they say they do not have any notes! Extra notes are always available at the school office. It is important that you are aware of events by reading through the newsletter, Facebook and the School App.

One such note was sent home last week, with some of our students receiving an invitation to attend the Proud and Deadly Awards. These awards are presented in partnership between the Department of Education and our local Aboriginal Education Consultative Group (AECG) in celebration and recognition of the achievement and excellence of Aboriginal students from Kindergarten to Year 12 in Public Education. The award ceremony was held today at the Wagga Wagga Civic Theatre.

I would like to remind students to have their awards to their classroom teacher by tomorrow. On Thursday, we will have a K-6 assembly starting at 2:10pm. This will be our last assembly for the year, and it will be held in conjunction with the Year 5 Captain's Speeches.

Yesterday we had some extremely tired, but exhilarated students and teachers back at school after their performances at the School Spectacular in Sydney. School Spec will air on our televisions on the evening of the 7th December, at 7pm on Channel 7. We are very proud of everyone's efforts that helped get our dancers there, as well as the amazing support and supervision that Miss Saddler and Mrs Hilton provided over many months and around the clock last week. Thank you, well done everyone!

If you are someone from our school community who has helped our students in anyway over the past year, we are greatly looking forward to sharing a cuppa with you on Thursday 12th December at our Helpers' Morning Tea in our school hall. If you have helped in the classroom, canteen, at sporting carnivals, with our gardens, as a P & C representative, with fundraising, special projects, excursions, library or in some other fashion we would love to thank you for all your assistance. We look forward to seeing you there.

Have a fabulous week!

PEER SUPPORT

During Peer Support children will discuss how to communicate their feelings and needs to others. The children will discuss skills they use when participating in a variety of activities. When children understand they already have many of the skills needed to succeed, they can feel more confident when trying something new.

Encourage your child to remember the skills they have used in one activity when trying something new. Also encourage your child to communicate their feelings and needs.

LETTER TO PROFESSOR GRAEME CLARK

3/4 Purple wrote letters to Professor Graeme Clark - inventor of the cochlear implant. In 1964 Professor Graeme Clark invented the cochlear implant. It took 5 years to finish so he completed it in 1969. It was his deaf father that made him come up with the idea of the cochlear implant.

The cochlear implant helps deaf people hear. Today people are still buying the cochlear implant. 3/4 Purple wanted to thank him for helping all people to feel equal.
