NORTH WAGGA  
PUBLIC SCHOOL

## OUR NEW LOGO

## PRINCIPALS MESSAGE

And the winner is ..... SET 1! It is evident that including the Murrumbidgee River, which is so significant to our community, into our logo struck a chord with the majority of us. I would like to thank the students, staff and parents for voting and a huge thank you to Jennifer Martin's mum, Tabitha, for counting the votes for us. Now let the rebranding begin!

I would like to thank Simon Harper and his team for completing the edging for our front gardens in 38 degree heat! It is very exciting that our landscaping upgrade is almost complete. It has certainly opened up the front of the school and shows off our beautiful setting to the community.

Two weeks ago we finalised the tender process for our very own Out of School Hours Care (OSHC). They will provide before and after school care, as well as vacation care. I will inform our community who the licensee is and when this facility will be expected to commence (should be for the start of 2021) in the coming week. This will be a wonderful opportunity for our students and school.

Due to COVID, we have decided to hold our Presentation awards ceremony during the day on Tuesday 8<sup>th</sup> December. We will video the proceedings and post them after the event so families can watch it at a time that is convenient. As always, students are expected to wear their full school uniform, including black shoes.

I would like to wish the Year 5 students who are going for School Captain, the best of luck. They will present their speeches to the school this Friday. Voting will happen after the speeches and the successful applicants will be announced at our Presentation ceremony.

Have a fabulous week!

Trudy Standley  
Principal

# School Travel for 2021

---

## 2021 school travel applications are now open

Applications for student travel in 2021 opened from Monday 12 October 2020.

Students who require a School Opal card or travel pass for 2021 can now [apply](#) online. A new application should be submitted if a student is applying for a school travel pass for the first time or requesting an additional pass as a result of a new shared parental responsibility situation (e.g. joint custody).

Students who have changed school/campus, changed address, repeated a year or received an expiry notification from Transport for NSW for their school travel entitlement should [re-apply or update their details](#).

\*Applications must be completed by the student's parent or legal guardian if the student is aged under 16 years. Students 16 years and over must complete the application form themselves.

Where there is a change of distance eligibility based on a student's grade, the system will automatically update a student's entitlement if they meet the new criteria. If they do not meet the new [eligibility criteria](#), they will receive an expiry notification via email.

Students who have an entitlement approved under a medical condition which is due to expire will receive a notification advising them to re-apply.

[Term Bus Pass](#) holders will receive a notification to re-apply.

If a student needs to update their information or re-apply, they should go online to <https://apps.transport.nsw.gov.au/ssts/updateDetails>

Applications need to be submitted before **31 December 2020** to ensure that current student entitlements are updated and their current entitlement/card remains valid. If their application is submitted after 31 December 2020, the system will automatically cancel an entitlement/card and a new one will need to be issued.

Students in the Opal network applying for a SSTS or Term Bus Pass entitlement for the first time will receive their card at their nominated postal address. Cards will be mailed out from January 2021.

**YOU COULD BE THE DIFFERENCE A CHILD NEEDS.**

When children and young people cannot live with their family, a caring Foster Family offers a safe and nurturing home. Carers make a real difference in the life of a vulnerable child or young person.

**Marymead is in urgent need of Foster Carers** Marymead's Foster Care Program supports committed foster carers who offer respite, short term or long-term care.

Marymead offers Foster Care case management support to children and young people who have entered Out of Home Care across a number of regions in Southern and Western NSW. These children and young people generally enter care due to a breakdown of parental care which may be due to illness, crisis or exposure to abuse and / or neglect. Our Foster Care Program offers respite care, short-term / emergency care and medium to long term care.

**Vision**

Marymead works to ensure that children, young people and their families, including those who are most vulnerable across Canberra and the surrounding NSW regions, are well supported through their key life transitions and are able to achieve positive life outcomes and live fulfilling, productive and happy lives.

**Mission**

Marymead works with children, young people and their families, to address the complex issues that surround them and affect their lives. We provide specialist, early intervention, clinical therapeutic services and support programs and services.
