TERM 4, WEEK 9 2020

## 2021 Captaincy Nominees

## PRINCIPALS MESSAGE

Well as we wind up another year, one that no one could have predicted, I would like to thank the students, staff and our families for their patience and support throughout 2020. This year has brought about so many challenges and we have got through it in true NWPS fashion, with perseverance and determination.

The most challenging part for me was not having the students at school during home learning or having the parents at school to celebrate our learning journey, after all what is a school without students and the families who support them? Amidst the changes to our 'normal' we have achieved a lot and some of these highlights include:

- Positive results with our 'Check-in Assessments';
- Embarked on new and exciting 3 year journey of professional learning for all staff with the introduction of the "Reading Project";
- Successfully implemented online learning and assisted students by purchasing 2 class sets of Chromebooks;
- Purchased 4 interactive panels, the start of the process to replace our aging Smartboards;
- Began works to beautify the front of our school with the planting of a hedge and trees and a new concrete path;
- Developed our new school logo and uniform for implementation in 2021; and
- Went through the process to select a provider for our very own Out of School Hours Care (OSHC). **PCYC will commence OSHC at NWPS in 2021.**

We do what we do, day in and day out, to ensure we are meeting the needs of our students. Our focus is to improve student outcomes and developing staff capacity ensures we are meeting the needs of our learners.

Next year will see some slight changes in staffing and I would like to thank the casual staff that have been with us this year for their passion and dedication. Mrs Johnson has gained permanency at Koorinal PS, Mrs Kendall has a temporary contract at Forest Hill PS, Miss Wareing will be moving to Leeton PS to be closer to family and Mrs Blencowe will be going on Maternity Leave. I would also like to congratulate Mrs Havrlant as she has been offered a position at the Centre for Effective Reading for 2021. With the decline in enrolments next year, due to zoning changes and the development of the new Estella school and TRAC K-6, there is a great deal of uncertainty around student numbers so I will notify the community at the beginning of the year about class structures and any new staff members that may be joining us.

I would like to congratulate the following students for their achievements outside of school:

Harley Webber - 2020 Vibrant Regional Community Excellence Award – Harley made a substantial contribution to the care of dogs and cats at the Bushfire Animal Evacuation Centre in January 2020 The CSU Vet School have won an Excellence Award within the university and Harley is named in the list of contributors.

Ivy Chobdzynski – Agriculture and Environment Award – Ivy submitted a project about Honey which was open to students K-6 in NSW. Ivy was placed third overall!

Lachlan Davis – Selection in the Wagga Football Academy Under 14 Wagga Representative side.

Nate Evans & Reese Plum - Selection in the Wagga Football Academy Under 13 Wagga Representative side.

Well done! These are excellent achievements, we are super proud of all of you!

I look forward to sharing the success of our students tomorrow at our Presentation Assembly. We will be recording the event and then posting it on your child's google classroom. This event will not be live streamed due to publication restrictions with some of our students.

I would like to congratulate our Year 6 students as their primary school education comes to an end. I value the contribution each and every one of you have made to North Wagga Public School and wish you all the best for high school and your future lives. I hope you enjoy your farewell assembly on Thursday and the dinner and disco on Thursday night.

We have a number of different activities happening in the coming week, before the end of term, please see more details in the newsletter and mark events in your diaries.

I hope everyone has a calm and relaxing holiday and for those students who will not be returning in 2021, thank you for being a part of our school and all the very best for your future education endeavours.

Have a fabulous week!

Trudy Standley  
Principal

### WHAT DOES HIPPY LOOK LIKE?

HIPPY comprises a curriculum of activity packs over two years. Your HIPPY Tutor will practice the activities with you using role play in a weekly home visit in Age 4 and a fortnightly visit in Age 5. Each pack has five activities for you to do with your child as well as ideas so that learning can happen everywhere at any time. The packs support your child's learning in the following areas: Thinking and exploring; Communication; Creativity; Social and emotional; Family and community.

### WHAT IS A HIPPY TUTOR?

Tutors are parents who are also doing HIPPY with their child or have recently graduated from HIPPY. Your HIPPY Tutor is trained in the HIPPY activities and will practice the activities with you at each home visit. Your HIPPY child does not have to be there when the Tutor comes. You can meet your Tutor at home or somewhere else, like a park or a library. After this, you do the activities with your child.

### YOU WILL ALSO ATTEND REGULAR GROUP MEETINGS

Group meetings give parents a chance to learn more about their children's development and behaviour; and to find out about local services, schools, and free local activities. Parents can also participate in training and short courses for FREE. You'll meet new families and make friends and there is usually good food and coffee, you can relax and chat while your children play supervised with other HIPPY children. The best part is recent research has found that families' participation at group meetings improves children's school readiness.
