SPLASH OF RED DAY

PRINCIPALS MESSAGE

I would like to start this week's newsletter by thanking our families for embracing learning from home, everyone is doing a great job.

A huge amount of thanks and gratitude also goes out to our awesome staff at NWPS. They are all doing a sensational job implementing the learning from home and supervising the students of our essential workers when they are at school. It is a truly challenging time for everyone.

I am, for the first time since the start of the pandemic, working from home today. At the same time assisting my daughter with her learning from home, I get that it is crazy and somewhat challenging and I'm a teacher! I hope you are being kind to yourselves, no one is expecting that you will be conducting the learning at home the same way our teachers teach in the classroom.

Keep your eyes open for our Book week videos of staff and students (send your photos in if you haven't already done so). A big thanks to Mrs Bryce for compiling these.

We will continue to communicate via the Skoolbag app, Facebook, emails and Google classroom.

I look forward to seeing you all soon as I am missing the students, staff and families terribly.

Remember to stay safe, stay at home.

Take care

Trudy Standley

Principal

Staff and students compiled a video to show our appreciation for our wonderful Principal.

Thank you for all you do for our school, your caring and compassionate nature is valued. We trust you had a wonderful day.

Staff and students held a "splash of red" day for Red Nose day on Thursday 12 August 2021.

THANK YOU for rocking your red for RED NOSE DAY! Students raised $165 for this very special cause!

THANK YOU

LEARNING FROM HOME

FROM THE COUNSELLOR'S DESK

In our current lockdown, our children might be feeling some worry or anxiety. In our first newsletter for the term, I shared some links to online stories that may be useful. Another tool is to use sensory bottles. Sensory bottles are a great way to calm down or distract us when things get us worried, or can just be a fun activity that you can do in your free time. You can shake them up and watch the glitter float down, use them as a timer, hide plastic pieces inside and try to find them, or to just fill time when you are bored. Have a go at making these. If you do need to source materials from the shops remember to use click and collect and stay safe.

How to Make a Glitter Sensory Bottle

Materials:

- Empty plastic bottle (A 500 – 600ml is recommended. If you use a larger bottle simply increase the amount of glitter glue and glitter that you use)
- Glitter glue (approximately 200ml)
- Warm water
- Additional glitter (large pieces work well) if required
- Hot glue gun or masking tape

Instructions

1. Remove the label from your bottle. Make sure it is clean and dry.
2. Pour approximately 200ml of glitter glue into your bottle. It does not matter if you use more or less.
3. Fill your bottle with warm water leaving about 3cm space between the water and the tip of the bottle.
4. Put 3 tablespoons of large glitter into the bottle (if using).
5. Put the lid on the bottle and shake, shake, shake. You want to make sure that the glitter glue is all mixed in and that the large glitter separates out.
6. Once you are satisfied with your glitter bottle seal it with the hot glue gun or masking tape. We want to make sure the lid doesn't pop off.

Have a great week.

OUT AND ABOUT AT NORTH WAGGA

Staff and students were treated to a visit from the Wagga Conservatorium of Music. Thank you from NWPS it was very enjoyable.

Students enjoyed being creative during our Cultural Enrichment afternoon.

Orange Class had lots of fun learning and playing the game of elastics.

THANK YOU

A big thumbs up to the Northshore Café. Lunch was delicious.

Thank you

We're all in this together

KINDERGARTEN 2022

It is now time to enrol your child in Kindergarten for next year! You can enrol your child online by going to our website and click on the enrolment tab and follow the "apply online" link, if your child does not live within our intake area you will need to follow the "out of area enrolment" link.

If you are aware of anyone who is within our school zone, and who has a child who is commencing school in 2022, please encourage them to enrol their child online.

About Mission Australia

Mission Australia is a non-denominational Christian community service organisation that has been helping people to regain their independence for over 155 years. Independence is something we yearn for from our earliest days. But if there's one thing as certain in life as our desire for independence, it's that it rarely turns out as planned. Life's complicated.

We've learnt the reasons behind a loss of independence are different for every individual. Similarly, the paths to regaining it are complicated and varied. This informs the way we work to achieve our goal of reducing homelessness and strengthening communities across Australia. We offer a wide range of integrated solutions and apply them over the long term, through homelessness initiatives and affordable housing, early learning and youth services, family support, and employment and skills development.

Our nationwide team of over 3,500 staff uses different approaches, often applied in unison and inspired by Christian values. We're joined in our work by governments, our corporate partners and everyday Australians who provide their generous support.

Together, we stand with Australians in need until they can stand for themselves.

What is the Youth on Track scheme?

Youth on Track is an early intervention scheme for 10-17 year olds that identifies and responds to young people at risk of long-term involvement in the criminal justice system.

What services does the Youth on Track scheme provide?

One-on-one case management with experienced caseworkers

Offence-focused behavioural and family **intervention**

Links to education, employment, health and other community support services

What are the benefits for participants?

- **Decrease** in formal contact with police
- **Reduction** in risk of reoffending
- **Improved engagement** with family and education

Referrals and eligibility

Referrals can come from local schools and Police Youth Liaison Officers for young people who are thought to be at high risk of reoffending and who have received at least one caution, conference or charge from NSW Police.

The young person must also:

- Be **10-17** years old;
- Have had at least **one formal contact with police** (caution, charge or Youth Justice Conference) where the offence occurred in one of the Youth on Track Local Area Commands;
- Have exhibited **risk factors of offending** (such as truancy, contact with police, child at risk reports, pro-criminal peer association, family history of domestic violence, and substance abuse);
- Must **live or go to school within a Local Area Command** that is involved in Youth on Track; and
- **Not have previously received a supervised court order** or spent time in custody on a control order.

The Youth on Track screening officer can also make automatic referrals by screening data contained in the NSW COPS database. Young people who have had at least two formal contacts with police and who are assessed as having a 60% or greater likelihood of offending may be referred. The offence must have occurred in one of the Youth on Track Police Local Area Commands.
