PRINCIPAL'S MESSAGE

It is with a very heavy heart that I inform our community our long serving staff members, Mrs Lesley Johanson and Mrs Marg Baker, will be retiring at the end of the year. Mrs Johanson has been at NWPS since 2002 and Mrs Baker since 2005. Mrs Johanson has been the face of our school as our School Administration Manager (SAM) and is often the first point of contact for staff, students, parents and the wider community in our office. Her wealth of knowledge with the department's new finance system is invaluable and she has certainly been an amazing support to me this year as I have embarked on the Principal role. Mrs Baker has provided an incredible amount of support in her role as School Learning Support Officer (SLSO), to students and staff. Both ladies will be missed and their replacements in 2020 will have mighty big shoes to fill.

Unfortunately, we have been having some issues with two of our gates, the western side off William Street and the one directly behind the canteen on the northern side off the lane. The gate on the western side will be replaced and a new lock attached. The one directly behind the canteen will be locked until we have a new locking mechanism, similar to a pool fence latch, fixed to it and the steel guard removed. While this gate is locked, we ask that students use the William Street gate or the entry off the lane just near the sports shed. In addition, please remind your child not to climb over the double gates off the lane, as this too is a safety issue.

We had the privilege last Thursday to listen to our school leaders for 2020. Every single one of the candidates that put themselves forward for a formal leadership position at our school is actually already a standout amongst their peers as leaders. Thank you to all candidates as well as their families for not just putting themselves out there in front of our school community but also for the amazing contributions these students have been making to our school over many years. Good luck, everyone!

Our Year 6 students attending Wagga High next year have had their final day of orientation today. We trust they have had a great day, and hope that they have also had the opportunity to make some new friends as all the students entering Year 7 come together in a single space.

The P&C will be holding their final meeting for 2019 at the Thirsty Crow Brewery in Fitzmaurice Street tomorrow evening, Wednesday 4th December. There will be a short meeting starting at 6pm followed by dinner to celebrate the wonderful contributions made this year. Everyone is welcome to attend.

Finally, congratulations to our students featured on the front of our newsletter who last week were recognised at the annual Proud and Deadly Awards. Their hard work and determination towards their commitment to learning is wonderful. Many thanks to Mrs Hilton for organising and to all the parents who were able to make it to the ceremony.

Have a fabulous week!

Trudy Standley
Acting Principal

SCIENCE IN ORANGE

In Science, we experimented with our new circuit kits. We made circuits to connect the power to a radio, a fan to blow a ball and a fan to spin up in the air. It was really fun and exciting. Orange class love learning about ENERGY.

PEER SUPPORT

During Peer Support a step model was introduced last week to encourage resilient responses: Pause, Plan, Proceed. The children take place in an activity to identify their feelings and the immediate effects on their bodies ie butterflies in their stomachs. The normalcy of feelings is acknowledged and the importance of being proactive is stressed. The children learn that pausing when they are emotional is helpful. They can do this by being still, taking a deep breath or counting to ten. Pausing gives children space to see a situation more accurately before planning a response.

Ask your child to describe the 3 steps of the model and what is involved in each one.
